Residents must request and obtain written approval before moving their pet into the premises. A Pet Addendum must be completed, either at move-in or immediately upon acquiring a new pet.

Pet damages can be a significant expense to owners. Damage to the unit is **not** covered by the pet fee. As owner of the pet, resident is strictly liable for the entire amount of any injury that the pet causes to a person or any property. The resident agrees to pay any damages caused by Resident’s noncompliance with provisions of this Agreement and the charges imposed by The Timbers to repair the damages.

You are responsible for the pet’s action at all times. Please refer to the Resident Guide for a complete list of rules and guidelines. We reserve the right to change and update rules and guidelines.

- A. The pet must not disturb the neighbors or other residents, regardless of whether the pet is inside or outside the dwelling. If Landlord, in its sole discretion, determines that the pet has significantly disturbed neighbors or other residents, it may require Resident, upon written notice, to immediately and permanently remove the pet from the premises.
- B. Dogs, cats, companion animals and service animals must be housebroken. All other pets must be caged at all times. No pet offspring are allowed.
- C. The pet may not be tied to any fixed object anywhere outside the dwelling.
- D. All yards and common areas should be kept clean of pet droppings. Owners must pick-up and properly dispose of pet droppings immediately in common areas as well as one’s own premises. This will eliminate health and sanitary concerns.

- E. Avoid leaving pet food outside for prolonged periods of time, as it will attract insects and wild animals. Your pet must be fed inside the dwelling unit.
- F. You must keep the pet on a leash and under your supervision when outside the dwelling unit or any private fenced area.

Violation of Rules

Violations of the pet addendum and/or Resident Guide may result in fines, loss of pet privileges or eviction.

Removal of Pets

Animal abuse or neglect will not be tolerated and may result in eviction. Any neglected or abused animal will be impounded by the proper authorities and sheltered during the investigation. Expenses associated with impounding are the responsibility of the owner.

Reports of unprovoked bites, aggressive and nuisance behavior may be cause for the removal of the pet.
