

Employee Spotlight: Les Shim – Service Manager of Maintenance

Please welcome our new Service Manager of Maintenance, Les Shim, to the Hickam Communities team! Mr. Shim worked at Hickam from 2007-2012 before transferring to Hickam Communities' sister project, Island Palms Communities. We are excited to welcome Les back to the Hickam team as our new Service Manager. Les brings over a decade of experience in Hawaii's Military housing industry to his new role. He will focus on creating a thriving project and an Ohana "family" atmosphere. Mr. Shim is from Ewa Beach Hawaii. On the weekends he enjoys fishing with his two children. If you see Les out around the community, please say hello!
